

Your Revolution Starts Here

Dear Friend:

Thank you for your interest in Your Marketing Corner and our expansion plans.

We are currently in the process of developing the necessary legal documentation, including a Franchise Disclosure Document, that is required for federal, state and local compliancy to offer franchises of Your Marketing Corner.

The pre-franchise work is required prior to our being able to formally discuss our anticipated franchise program details, including market availability, potential product mixes, revenue forecasts, development costs or any other operational aspects. This is a strict legal requirement to which we must comply before we offer to sell a franchise and we are not offering to sell franchises at this time.

However, in the meantime, we are accepting inquiries from individuals who are interested in receiving more information about our expansion plans, including our plans to franchise, as soon as that information is available. In fact, a number of people have already expressed interest in opening a Your Marketing Corner location in their markets.

If you are experienced in business and marketing and wish to be notified when we are ready to discuss Your Marketing Corner's expansion plans, please complete the inquiry form on our Web site and we will contact you when our information is available. We're keeping all inquiries in dated order and will contact completed inquiries in the order they were received.

Thank you for your interest in our company and our brand. We're enthusiastic to extend our revolutionary marketing agency stores to many markets and to support thousands of local businesses.

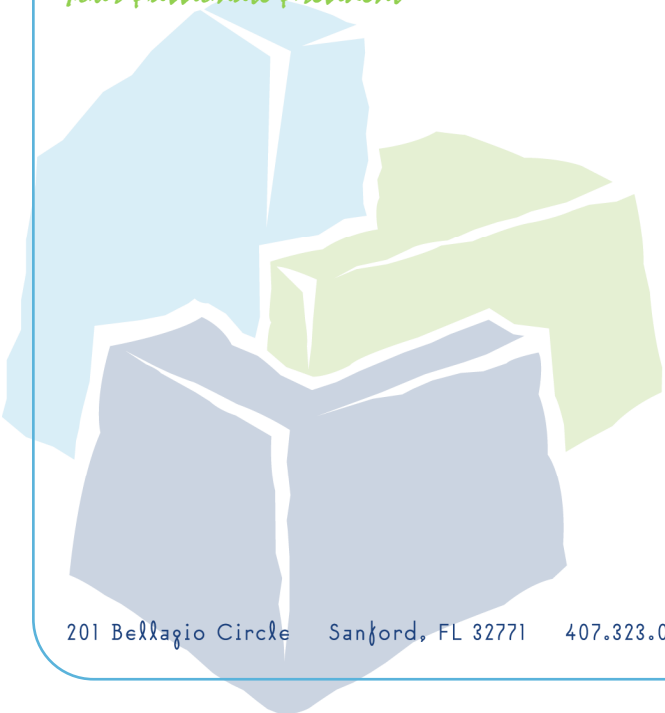

Please spread the word about Your Marketing Corner to any local businesses you support.

Thank you for your interest and we hope to have our materials out to you soon.

Sincerely,

Tonya Turrell

Your Passionate President
